

Proposed Ground Floor
1 : 100

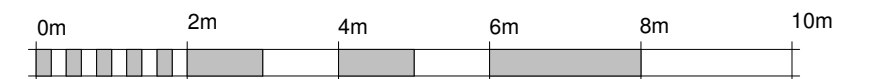

First Floor Proposed
1 : 100

Notes:

Alms Houses 1 & 2 are to be refurbished internally, with a new independent dry lining system being installed. They are to receive new decoration, fixtures and fittings.

The Old School Room is a change of use to a 1 bedroom property. A new porch is proposed through the current entrance into the lobby. A ground floor bathroom and kitchen are proposed to sit underneath a first floor mezzanine for a bedroom.

The removal of the existing lobby will require the nursery wall to be made good using materials to match the existing; and a new external door in the current opening.
